M-29-18

March 16, 2018

### **SUBJECT: WILLS FOR HEROES 2018**

The Wills for Heroes Foundation is a non-profit organization created in response to the events of September 11, 2001 when more than 400 firefighters and police officers made the ultimate sacrifice, many without estate plans. Through Wills for Heroes, volunteer lawyers provide free estate planning, including wills and healthcare and financial powers of attorney to Chicago Fire Department personnel and their spouses or domestic partners.

Currently, Wills for Heroes is scheduling for future clinics to be held at Public Safety Headquarters, 3510 South Michigan Avenue. Each member and spouse/partner will receive a questionnaire that needs to be completed in advance of the appointment. Spouses/partners will be seated separately with a different attorney; however, they can be seated near each other to consult. The appointment takes approximately 1.5 hours and appointments are available beginning at 0900 hours, with the last appointments scheduled at noon.

Available dates are:

Saturday, April 21, 2018

Saturday, May 19, 2018
